

How works CASA PARIS

CASA PARIS
HOUSING PARIS AND LONDON

Intermediary

Our function is to be intercede between you and your future landlord The main advantage of Casa Paris is that you won't need to provide a French guarantor unlike most apartments in Paris. The landlords we work with trust on our experience and criteria we use to select our customers and facilitate the access of our clients.

We work with an international customer portfolio looking for furnished apartments for long or short terms in Paris (executives or managers on temporary assignments, students, interns etc.).

What information we need?

- Duration (check-in and check -out
- Budget (rent per month) normally electricity and internet is not included in the rent.
- School name, or company name if you are working which kind of contract do you have...
- Nationality.
